We've had a wonderful start to the school year. The children have settled well and we've lots of new experiences to enjoy this term.

**Our theme**  
**Back to Basics**  
This term the children will continue to be finding out about all of our classroom resources, both inside and out. This helps them to get the most learning potential out of their sessions in school.

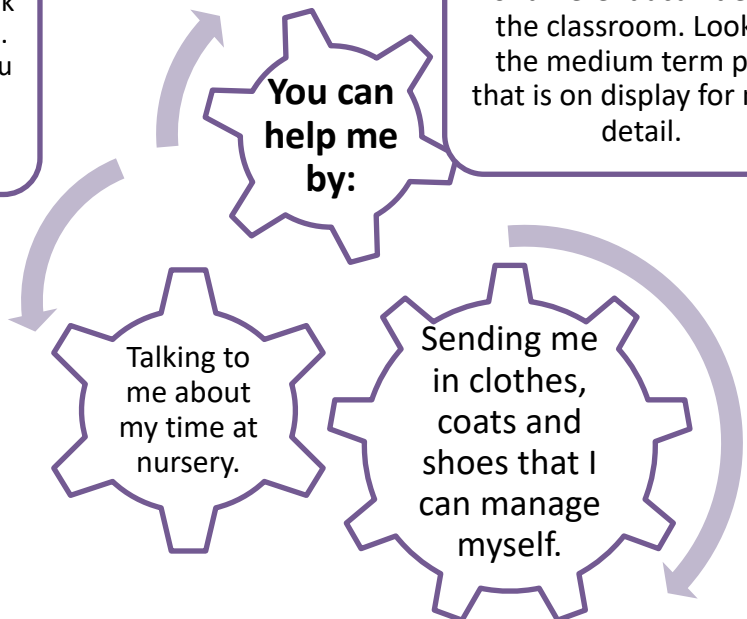

**At Home**  
Talk to the children about what they've been doing. Tapestry, Twitter and the blog is a great tool for seeing what the children get up to at school

**Novel Study**  
This is a whole school approach to reading and writing. FS1 are using the story 'We're going on a leaf hunt' to inspire lots of different activities in the classroom. Look at the medium term plan that is on display for more detail.

**Lending Library**  
The Lending Library has been very popular, please feel free to borrow a book and return once finished. If you have any books you can donate, they will be gratefully accepted

**Birthday celebrations**  
A book for our Lending Library is gratefully received as an alternative to sweets.

**Key person planning to learn**  
Over the course of the week, children spend time playing in the areas of provision, selecting for themselves the resources they will play with. Starting this week, children will also be spending time in their Key Person groups doing various activities

**30 hours**  
Please make sure you reapply for the 30 hours FEEE funding ready for January

**TAPESTRY**  
Did you know you can also add photos to your child's account? See Mrs Warner for a how to guide.
