

Class Newsletter

Spring 1

Year 3

Class Teacher: Mrs Longhawn

Other adults: Mrs Jez, Mrs Gray, Mrs Warren

I hope you have all had a wonderful Christmas . Your children have returned with great learning attitudes this week and we are really looking forward to starting our new topics. We will have a different topic for each half term.

Home Learning

As we will have two topics over the Spring term please try and complete Learning Log homework weekly. The work will be marked and returned on the same day it is handed in.

Big maths will be handed out every Monday and tested on Fridays.

Maths

- In Maths we will be concentrating on using standard measures for length, mass and volume. We will be adding and subtracting using the different forms of measurement and will be comparing measures too.

Reading

- Over the next two terms we will be completing an author study of Roald Dahl. The first book we will be concentrating on is Esiotrot.
- As well as reading the book together we will be completing non fiction comprehension on Dahl our Mayan Topic

Writing

- In Writing we will be concentrating on:
- a biography
- using speech in a cartoon format
- an information text

Topic

- Our topic is the Ancient Maya civilisation which is a new topic for year 3.
- Geography - looking at physical and human geography of South America and comparing it to the UK.
- History - Finding out about the Maya and how they lived their lives.
- Art - creating a Maya temple using a range of art techniques.
- D&T - making a Maya head dress
