**Admission Policy  
Autumn 2020**

---

**Summary**

This is an adopted School Admission Policy written by Leeds City Council.

The local authority acts as the admission authority for our school admissions. The new policy will come into place from Sept 2020 and this covers dates for common preference applications, allocation and offer of places and waiting lists.

This policy will need to be reviewed when notified by the LEA.

**Recommendation**

Governors are requested to read this policy, consider its content and approve its adoption.

# CO-ORDINATED ADMISSION SCHEME FOR PRIMARY, INFANT AND JUNIOR SCHOOLS IN LEEDS 2021/2022

This scheme requires inter-authority co-ordination by the local authorities for:

- a. North Yorkshire, Kirklees, Bradford and City of Wakefield

## **Leeds Admission Authorities**

In Leeds there are a number of different admission authorities, as follows:

<b>Type of school</b>	<b>Admission Authority</b>
Voluntary Aided	Governing Body
Voluntary Controlled	Leeds City Council
Community	Leeds City Council
Academy	Academy Trust
Foundation Trust	Governing Body

A list of all primary and junior schools in the Leeds City Council Area is provided at Appendix 1a. This also confirms who is the admitting authority for each school at 1<sup>st</sup> January 2020 when this scheme was determined.

Should any schools adopt foundation status, become academies or free schools their Governing Bodies or Academy Trust will take up responsibility as admission authorities.

## **Applications in the Normal**

### **Round The Leeds Common**

#### **Preference Form**

An online application facility will be available during the application period  
**Saturday 1 November 2020 – Friday 15 January 2021.**

There will also be a standard form known as the Common Preference Form (CPF) to be used within the Local Authority (LA) area. The CPF will be used for the purpose of admitting pupils into the first year of primary education (Reception) and year 3 in junior schools. The CPF or online system must be used as a means of expressing up to five preferences by parents resident in Leeds.

- a. for admission to a school within the LA (including Voluntary Aided and Foundation schools, Academies or Free Schools);
- b. for admission to a school located in another LA's area (including Voluntary Aided, Foundation schools, Academies or Free Schools.)

Parents will be asked to express up to five preferences including, where relevant, any schools outside the LA's area, in rank order of preference. Where other LA's provide for additional preferences those parents will need to have expressed a preference for a Leeds school as one of their first five preferences to ensure Leeds parents are treated equitably.

Parents may give their reasons for each preference.

Parent will be informed that they will receive no more than one offer of a school

place from the local authority and that

- i. a place will be offered at the highest ranking preference for which a place may be available; and
- ii. if a place cannot be offered at a preferenced school and the address is in Leeds, a place will be offered at the closest school with places available.
- iii. if a place cannot be offered at a preferred school, and the address is not in Leeds, the home authority will be responsible for allocating an alternative school.

The closing date, **Friday 15 January 2021**, and where the form must be returned in accordance with the timetable will be specified.

The local authority will make appropriate arrangements to ensure:

- a. that the CPF is available on request from the Admissions Team, on the website and from all primary schools in the Leeds area; and
- b. that the CPF is accompanied by a written explanation of the co-ordinated scheme and this is available for parents
- c. that parents have the facility to make an online application for a school place up to the deadline for applications

The local authority will take all reasonable steps to ensure that every parent resident in Leeds who has a child about to start Reception year or transfer from Infant school into year 3, can apply online, or access a copy of the CPF.

After the closing date of **15 January** we will forward details of the applications, but not the parents ranking, to other admission authorities within the Leeds area, and to other LAs if a preference has been made for a school in another Local Authority area. This will include Voluntary Aided and Foundation schools and Academies.

Governing Bodies or Academy Trusts, which are admission authorities for their school, must relay information back to the local authority showing the order in which they rank the applications for places, by a date specified in this scheme.

### **Supplementary Information Form (SIF)**

All preferences expressed online or on the CPF are valid applications. The governing body of Voluntary Aided, Foundation, Academy and Free Schools can require parents who have asked for a place at their school to provide additional information on a Supplementary Information Form. This form can only be used where additional information is required for the governing body to apply their over subscription criteria to the application.

Where a Voluntary Aided, Foundation, Academy and Free Schools require a SIF it cannot consider an application unless the parent has expressed a preference for their school. The SIF will state that the SIF must be returned to the school. Where a SIF is required, the school should follow up any that have not been received.

## Testing

There are no maintained primary, infant or junior schools in Leeds that require a test in order to gain admission.

## The application process

Parents can apply online or obtain a CPF from any Leeds primary, infant or junior school. Where a parent chooses to return a paper preference form to a school, the school should:

- Gather in the completed forms and issue the parent a receipt
- Check them for factual detail
- Offer advice to the parent if the parent has misunderstood some aspect of the procedure
- Send the forms in a batch keeping a record of all forms sent
- Advise the parent of a child from another LA to contact that LA

## Allocation of places

The local authority will act as a clearing house for the allocation of places by the relevant admission authority in response to the applications and will only make any decision with respect to the offer or refusal of a place in response to any preference expressed where:

- a. it is acting in its separate capacity as an admission authority, or
- b. an applicant is eligible for a place at more than one Leeds school, or
- c. an applicant is not eligible for a place at any school that the parent has nominated and lives in Leeds.

The local authority will match the ranked list against the ranked lists of the other nominated schools and:

- Where the child is eligible for a place at only one of the nominated schools, that school will be allocated to the child.
- Where the child is eligible for a place at two or more of the nominated schools, they will be allocated a place at whichever of these is the highest ranked preference.
- Will use the over subscription criteria in the admission policy published in the Starting Primary School Parents Guide for deciding places in Community and Controlled schools.

If the Local Authority cannot offer parents or carers a place for their child at any of the schools they preference, we will offer their child a place at the closest school that has places available when we make the offer. This is called a **placement offer**. A placement offer can be made at any school with a vacancy available, including Voluntary Aided, Foundation schools or Academies where their governing bodies have given the Local Authority permission to do so.

Where the child is not eligible for a place at a nominated school, and the child is not resident in Leeds, the home LA will be responsible for their education.

The local authority will notify the Academy, Foundation and Voluntary Aided admission authority of the single offer to be made by the deadline in this scheme.

The local authority will notify the home LA if a place is to be offered or not by the deadline in this scheme. The home LA will then make offers on behalf of Leeds LA. Leeds LA will endeavour to work with other LAs so that only a single offer is made.

### **The offer of a place**

Parents will be notified by the local authority that they are being offered a place at the allocated school. This letter or email will be sent on **Friday 16 April 2021**. The offer correspondence will give the following information:

- The name of the school at which a place is offered;
- The reasons why the child is not being offered a place at each of their higher preference schools asked for, if they are not being offered their highest preference;
- Information about their statutory right of appeal against the decisions to refuse places at the other nominated schools;

Parents offered a Community or Voluntary Controlled school will be required to accept the offer of a school place by **30 April 2021**. All other schools within Leeds and schools in other LAs may also require parents to accept the offered school. In the case of these schools, failure to accept the place by the deadline may result in the place being withdrawn and offered to another applicant.

### **Waiting lists**

Where the child has been refused a place at a preferred Voluntary Aided or Foundation school or Academy, instructions as to how the parents can add their child's name to the schools waiting list are in the school's Admission policy.

A waiting list for all schools will be maintained until at least **31 December 2021**

For community and voluntary controlled schools the waiting list will remain open until the end of the Summer school term (**July 2022**) for Reception or Junior school places starting September 2021.

Voluntary Aided, Foundation School and Academies may also extend their waiting lists and this will also be outlined in the in the school's individual Admissions policy.

### **Applications received after the closing date of 15 January 2021**

The closing date for applications to be received in school, directly to the local authority or online in the normal admission round is **15 January**.

The local authority will endeavor to process any applications received until **12 February 2021** and liaise with any Voluntary Aided or Foundation schools or Academies listed.

After **12 February** late applications will be considered only after all on time applications unless there are significant or exceptional reasons (submitted in writing). Late applications will be considered before placements are made (where no preference could be met).

Where the other admission authorities have already ranked their applications, any preference received after **12 February** may not be able to be considered, even as a late preference. The Admissions Policy for the school will set out whether late applications are permitted. Other LAs may not accept any late applications without proof of exceptional reasons.

Late supplementary information forms must be sent to the Voluntary Aided school concerned as without the SIF it will not be possible for the Governors to rank the application under their admission policy. Where the other admission authorities have already ranked their applications then any SIFs received after **15 January 2021** may not be able to be considered along with on time applications.

### **Change of Preference**

Parents will not be allowed to change their preferences after **12 February** unless there are genuine exceptional reasons, for example, if they move home after this date.

### **School transfer (In year) applications**

The Leeds In-year Common Preference Form (ICPF) will be submitted to the Local Authority.

The LA will act as a clearing house for the application by forwarding details of the application to other admission authorities within the Leeds area. This will include Voluntary Aided and Foundation schools, Academies, Community and Voluntary Controlled schools. The other admissions authorities will then make decisions on whether they can admit the child, and notify the family directly and inform the LA.

Any applications for a preferred schools in another LA area would need to be made via that Local Authority.

### **EXPLANATORY NOTE – PRIMARY SCHOOLS**

Leeds LA acts as the clearing house for all parents in Leeds. Every parent in Leeds must complete a single application either online or in paper, even if they attend a Leeds Voluntary Aided or Foundation Primary school or an Academy or Free school and want a Voluntary Aided or Foundation Primary school or an Academy or Free school in another LA.

If a parent in a neighbouring LA wants their child to attend a Leeds school they must apply to their home LA. The home LA will forward the details onto Leeds who, in turn, will forward the applicant's details onto the Leeds Voluntary Aided or Foundation School or Academy (Leeds LA will deal with the application if it is for a Community or Voluntary Controlled School). The admitting authority determine to whom they will make an offer to, by applying their admission policy, and inform the local authority of the ranked order of offers. The process then works in reverse, the school informs the local authority who in turn inform the neighbouring (home) LA. It is the home LA who then writes the offer letter on behalf of the governors of the Leeds Voluntary Aided or Foundation School or Academy.

For example It could be that the parent in another LA preferences 1. A school in their home LA. 2. A Voluntary Aided Leeds School. 3. A Leeds Community school. It could be that the parent receives an offer from all three admission authorities as they meet the criteria for all three schools. In these circumstances the local authority will offer the highest school asked for and make this known to the home authority. The home authority is responsible for writing the offer letter.

There could be cases where Leeds parents' preference schools in other LA's and the process described above works in reverse. The parent applies to Leeds, Leeds LA send the details to the other LA, and they in turn forward the applicant's details onto their Voluntary Aided or Foundation school or Academy. The governing body determines that an offer should be made and inform their home LA, they forward the offer onto Leeds LA and Leeds LA then write the offer letter on behalf of the neighbouring LA Voluntary Aided or Foundation School or Academy.
